6. Procedure

6.1 Informal Complaint

Students are encouraged, wherever possible, to resolve concerns or difficulties directly with the person(s) concerned or relevant person before it becomes a formal complaint. The Student Services Manager and if applicable other Complaints and Appeals Committee members are available to assist students to resolve their issues at this level.

Assuming it is agreed that the complaint is dealt through this informal complaint procedure, the staff member who is consulted, shall discuss the complaint fully with the complainant and with the complainant's consent, anyone else involved, to see if it can be resolved informally. This may involve referral of the complaint to a third party.

Complaints dealt in this way do not become part of the formal complaint process and will not be documented, recorded or reported on unless an Opengate Institute staff is involved.

Complaints and Appeals determine that the issue in question or complaint is relevant to the wider operation of Opengate Institute.

6.2 Formal Complaint

If complaints are not resolved through an informal process, students can access the formal procedure, which will take place in three stages:

6.2.1 Stage 1: Formal Complaint

Formal complaints should be submitted in writing to Student Services Manager. The Student Services Manager will consider and investigate the complaint within ten (10) working days from the date submitted by the complainant.

In this process, the Student Services Manager or a nominated member from Complaints and Appeals Committee, may seek information and clarification by written or verbal request or by face-to-face interview with the complainant and/or the respondent.

When such clarification occurs in a face-to-face interview, the complainant or respondent may ask another person to accompany him or her.

The Student Services Manager or a nominated member from the Committee, will then endeavour to resolve the complaint and will provide a written report to the complainant on the steps taken to address the complaint, including the reasons for the decision. The complainant will be notified of their decision in writing within ten (10) working days.

If a complaint investigation time exceeds the above timeframe, the Student Services Manager or nominated member from the Committee will notify the complainant in writing, the reason and the new timeframe.

The complainant will be advised of their right to access an Internal Appeals process (Stage 2) if they are not satisfied with the outcome of the complaint in Stage 1.

6.2.2 Stage 2: Internal Appeals

Where the complainant is not satisfied with the outcome of the formal complaint in Stage 1, or for an individual who is not satisfied with an outcome of an alternate process, they may lodge an appeal in writing within ten (10) working days of receiving notification of the outcome of their respective matter/formal complaint.

An Internal Appeal Process is initiated when the Student Appeal Form is lodged to Student Services by the respective individual, referred to as the Applicant. Within ten (10) working days of receiving the Student Appeal Form, the Complaints and Appeals Committee will convene an investigator or Student Appeal Committee to hear the appeal and propose a final resolution.

The Applicant's appeal will be deliberated by an independent and impartial officer/committee of RGIT, referred to as the Reviewer.

Where the Committee has been convened as the Reviewer; if a member of the Committee has been involved in the complaint process, they will not be included in the Appeal Committee to ensure fair process. The Reviewer will conduct all necessary consultations with the Applicant and other relevant persons and determine the outcome of the appeal. The complainant or respondent may ask another person to accompany him/her at any meeting with the Reviewer.

The Reviewer may:

- a) uphold and confirm the decision
- b) vary the decision; or
- c) set the decision aside and substitute a new decision.

The Reviewer will advise the Applicant in writing of the outcome of the appeal, including the reasons for the decision, within ten (10) working days.

The Applicant will be advised of their right to have the decision reviewed by an independent external body (Stage 3) if they are not satisfied with the outcome.

6.2.1 Stage 3: External Mediate

If the Applicant is dissatisfied with the outcome of the Internal Appeal on Stage 2, they may refer the decision for review by an external dispute resolution process facilitated by the Resolution Institute (RI) or Ombudsman within twenty (20) days of the decision being made.

Domestic students

Students can lodge their appeal with the Resolution Institute. The RI consist of mediators, arbitrators, adjudicators, restorative justice practitioners and other professionals, created as a result of the integration of LEADR with IAMA in 2014.

Further information on RI can be found on their website. <http://www.resolution.institute>

Students may need to cover the cost for lodging appeals with RI for their part. An independent RI mediator will investigate the case, make an assessment and advise the complainant of the outcome.

The RI mediator will also notify the outcome of the external appeal to the Student Services Manager of Opengate Institute. Both parties may ask another person to accompany them at any mediation meetings. If the RI makes recommendations in relation to a complaint they have reviewed, the RI will forward those recommendations to the Student Services Manager of Opengate Institute. Opengate Institute will give due consideration to any recommendation made as a result of the external review and will ensure that such recommendations are implemented within thirty (30) days.
